

Theodore Persico Jr. ^{Donald John Trump, Dr. Hector Pérez, Cody Emerson and James Russel Craig, Anthony Michael Dayanzo}
To make a long story short, after sailing down the Caribbean, escaping imprisonment in Veniceualia (poisoned drugged full of shit baloney) and escaping imprisonment in Trinidad (Tony the white tiger cereal distributor). Getting in and out of the grocery store at Grand Caiman, I returned to Florida, to barely escape "the needle"/death by drugged poisoned prison food. This is the best idea in response, I could come up with, for this election. Influence Donald John Trump to take up my cabinet recommendations. Also note we may be able to get the 18 apostalettes together for the

event, the best possible scenario.
Mr. Persico I'm for giving you this
idea, including starting to empty
the prisons quick as we go
about undamming the world's rivers,
with you, Theodore, the 1st out,
sentence commuted, with you to decide
if you are par DON or not or better.
I give you this idea as you and others
may enjoy working on another way to
escape imprisonment, for the best for all.
Mr. Theodore Persico Jr. I've presented you
as one of my referances on my
resumé. Thank you.
